PROFESSIONAL SUMMARY

Senior Product Designer with 7+ years in product design, UX/UI design, and user research for SaaS, B2B, and B2C products in fintech and health tech. Owns the end-to-end design process: discovery, user research, information architecture, wireframing, prototyping in Figma, usability testing, and developer handoff. Built design systems from scratch, led cross-functional design teams, and redesigned a conversion funnel that increased user retention by approximately 20%. Hands-on experience designing AI-powered product features and native iOS and Android mobile apps, with front-end development skills in HTML, CSS, JavaScript, and React, and AI-assisted design-to-code workflows.

SKILLS

Product & UX Design: Product Design, UX Design, UI Design, User Research, Usability Testing, Information Architecture, Interaction Design, Wireframing, Prototyping, User Flows, Design Thinking, Data-Driven Design

UI & Design Systems: Design Systems, Component Libraries, Visual Design, Branding, Responsive Web Design, Landing Pages, Mobile App Design (iOS & Android)

Front-End Development: HTML, CSS, JavaScript, React, Java, Native Mobile Development (iOS & Android), Design-to-Code

Growth & Business: Conversion Rate Optimization (CRO), Conversion Funnels, User Retention, CRM Tools, SaaS, B2B, B2C, Fintech, Health Tech

Leadership: Cross-Functional Team Leadership, Stakeholder Management, Developer Handoff, Design Leadership

Tools: Figma (5+ years), Sketch, Adobe XD, Adobe Illustrator, Adobe Photoshop, Claude, Claude Code

PROFESSIONAL EXPERIENCE

Senior Product Designer (Freelance) | **Catarsis Multimedia** 01/2025 – Present

- Led end-to-end product design for a health tech platform focused on the patient experience, partnering with engineering from research through developer handoff.
- Built a design system from scratch, enabling scalable and consistent UI across web and mobile product surfaces.
- Designed AI-powered patient interaction features, defining UX patterns for AI-assisted workflows.
- Used Claude (AI) to accelerate front-end prototyping and design-to-code handoff, shortening design iteration cycles.

Senior UX Designer / Lead Designer | **Sales-hub** 07/2023 – 01/2025

- Redesigned the conversion funnel, increasing user retention by approximately 20%.
- Led UX/UI design for high-traffic landing pages, conversion funnels, and CRM tools in a B2B SaaS environment.
- Led a cross-functional team spanning UX/UI design, copywriting, and video production.
- Contributed to AI-driven product initiatives, designing UX/UI for AI-powered features.

Lead Designer (promoted from UX/UI Designer) | **SRAX** 02/2021 – 07/2023

- Owned the end-to-end UX/UI design process, from user research and discovery through final delivery.
- Led the creation of a design system, improving UI consistency and scalability across products.
- Conducted user research and design validation with key stakeholders to prioritize product improvements.

Product Designer / Front-End & Mobile Developer | **DocDigitales** 06/2018 – 02/2021

- Designed and shipped SaaS billing (fintech) products for web and mobile, owning the product design process end to end.
- Created wireframes, UI designs, and branding aligned with business goals and user needs.
- Conducted UX research to identify improvement opportunities and define new product features.
- Built native mobile applications for iOS and Android, bridging product design and front-end development.

EDUCATION

Bachelor of Engineering in Digital Graphic Design (Ingeniería en Diseño Gráfico Digital) | **CETYS Universidad, Mexicali** 2014 – 2018
